GENERAL.	
DISTRIBUTION OF PROPERTY	
REDISTRIBUTION OF PROPERTY	
TRANSFER OF UNITED STATES GOVERNMENT PROPERTY.	

1. GENERAL

This Regulation prescribes the policy governing distribution of Agency material in support of operations. Included herein are guidelines for the determination of authorized transfers of Agency property. The term Chief of Station will include hereinafter Senior Representatives, Chiefs of Missions and Stations, or other principal officers directly responsible to headquarters, for the purpose of this Regulation.

2. DISTRIBUTION OF PROPERTY

Normally, the distribution of centrally procured material will be from purchase to general or specialized depots; from general or specialized depots to field depots; from field depots to stations; from stations to users.

3. REDISTRIBUTION OF PROPERTY

The Chief of Logistics will redistribute Agency material assets among

25X1A6A

foreign areas, as necessary, to meet overall requirements. The Chief of Station will redistribute material among Stations or Missions within his area to the fullest extent possible.

4. TRANSFER OF UNITED STATES GOVERNMENT PROPERTY

a. TO OR FROM UNITED STATES GOVERNMENT AGENCIES

Transfers of United States Government property from other United States Government agencies may be accepted on behalf of this Agency by

Accountable Officers as directed by the Chief of Logistics. Transfers will be made by appropriate transfer documents, and property will be recorded on Agency accountable records. Transfers of Agency property to other United States Government agencies may be made only with the written consent of the Chief of Logistics, Chief of Station, heads of field installations, or their designees. Transfers to or from other United States Government activities are subject to the same property accounting procedures as prescribed for other Agency material.

b. TO SUPPORT PERSONNEL

agencies are sometimes necessary and will be made under the following conditions:

(1)

(2) Requests will be submitted to the Logistics Office through regular channels.

c. TRANSFER OF UNITED STATES GOVERNMENT PROPERTY TO FOREIGN GOVERNMENTS

When, as determined by the Director of Central Intelligence or his designee, it is operationally advantageous to transfer Agency material to a foreign government, the Chief of Logistics or Chief of Station will arrange such transfer.
